

Our Vision and Priorities

Our Vision: Every Student Achieves their LIFE Goals

Our Purpose: To inspire every student to realise their full potential

Our Priorities:

Great Place to Learn

Learners will study a curriculum that's relevant and enables them to grow into confident adults

Safe Place for All

A place where everyone can work and learn in an environment that promotes safety, wellbeing, equality, tolerance and understanding

Rewarding Place to Work

Our people commit with purpose and value to support and care for our students. In return we champion their efforts, reward their achievements, support their development and look after their wellbeing.

Collaborative Partner

Working with parents and other important Stony Dean stakeholders, fostering relationships at a school, local and regional community level in order to achieve shared goals.

“Values are the things that you believe are important in the way you live and work”

Care- Everyone will feel safe in a nurturing environment

Respect- Everyone's voice will be heard and valued

Achievement- Everyone's individual success and achievements will be recognised

Responsibility- Everyone will have ownership of the choices in their life journey

Resilience- Everyone will be encouraged to persevere

Community - Everyone will have a place, here in the school and the wider community: Students, Families, Staff & Governors

LIFE Goals & Performance Measures

Living

Independently

Functioning

Effectively

We measure our performance on the outcomes that matter most to our students and their families. Our students...

- *Achieving effective communication and interaction*
- *Achieving independence*
- *Achieving employability*
